EGLR-APSRs Co-Meeting. There is a probability that the East Great Lakes Region of the APSRS will hold their fall meeting concurrent with the AV Fall Technical Meeting. More information will be provided to the AV Board as soon as is it available.

Rock Hall Tour. We will be delivered to the Rock&Roll Hall of Fame after our excursion to NASA Glenn. Lunch is on our own, and will be available at the Rock Hall. Ticket reservations are on our eventbrite registration site (above) and we will purchase a group tour in advance so we don't have to wait in line. After we're done at the Rock Hall, we will return to the Wyndham on foot, or use the Wyndham shuttles as needed. This is a nice, easy, 1.3 mile walk through historic Public Square down Euclid Avenue.

Social Opportunity. On Tuesday, October 11th, we are arranging tickets to the play Million Dollar Quartet, at the Cleveland Playhouse. The Cleveland Playhouse is the 2nd oldest and largest continuously operating performance facility. The Million Dollar Quartet is a musical about the early tour of Johnny Cash, Elvis Presley, Carl Perkins and Jerry Lee Lewis. The play ended on Broadway in June, and will be at the playhouse right across the street! <http://www.milliondollarquartetlive.com/> More information will be available, and when we get the ticket arrangements made, will be available for reservation on the eventbrite registration site (above.)
